### **PR STATEMENTS**

Recently, it is come to my notice from some reliable sources, evidences and witnesses that some people around Sripur village and its subsequent areas are running a false, unethical and baseless propaganda regarding some "Facebook Post and its Contents" posted by some Akshay Nath and others and trying to relate me with such posted content. Such propaganda made by "them" about me are false, baseless, highly defamatory and made with the intention to harming or slandering my reputation and due to this I am mentally disturbed and suffered in my reputation and has been lowered in the estimation of my friends and in the general public.

Therefore, I have decided to initiate legal proceedings to prosecute "them" in a criminal court for defamation and mental harassment.

And, the seven (7) associates of mine (i.e. GK Dutta and allied companies/Farms/Organizations) have full right to take legal action as per provisions of Indian laws for damages caused by them in their respective legal jurisdictions.
